

Cabarrus Homelessness Indicators

January through June 2017

Created by the Cabarrus County Homelessness Task Force

Opportunity House

Averaged **28** showers per week for those seeking shelter or housing, totaling **728** showers from January to June.

Provided **11** tents and **18** sleeping bags to homeless individuals.

Cooperative Christian Ministry

Averaged **23** housing applications a month, some months averaging 1 per day.

Conducted **139** housing applications, totalling **476** people.

Cabarrus County and Kannapolis City Schools

During the 2016-2017 school year, **451** students were identified as homeless.

- Cabarrus County Schools: **329**

- Kannapolis City Schools: **122**

Substance Use Treatment Facilities

In 2016, Daymark Recovery Services had **46** clients identify as homeless. This does not include those that reported staying with family or friends.

Point in Time Count

From 2015 to 2017, there was a **7.8%** increase in the recorded number of homeless individuals in Cabarrus County.

This included a **46%** increase in the number of homeless families and a **41%** increase in homeless children.

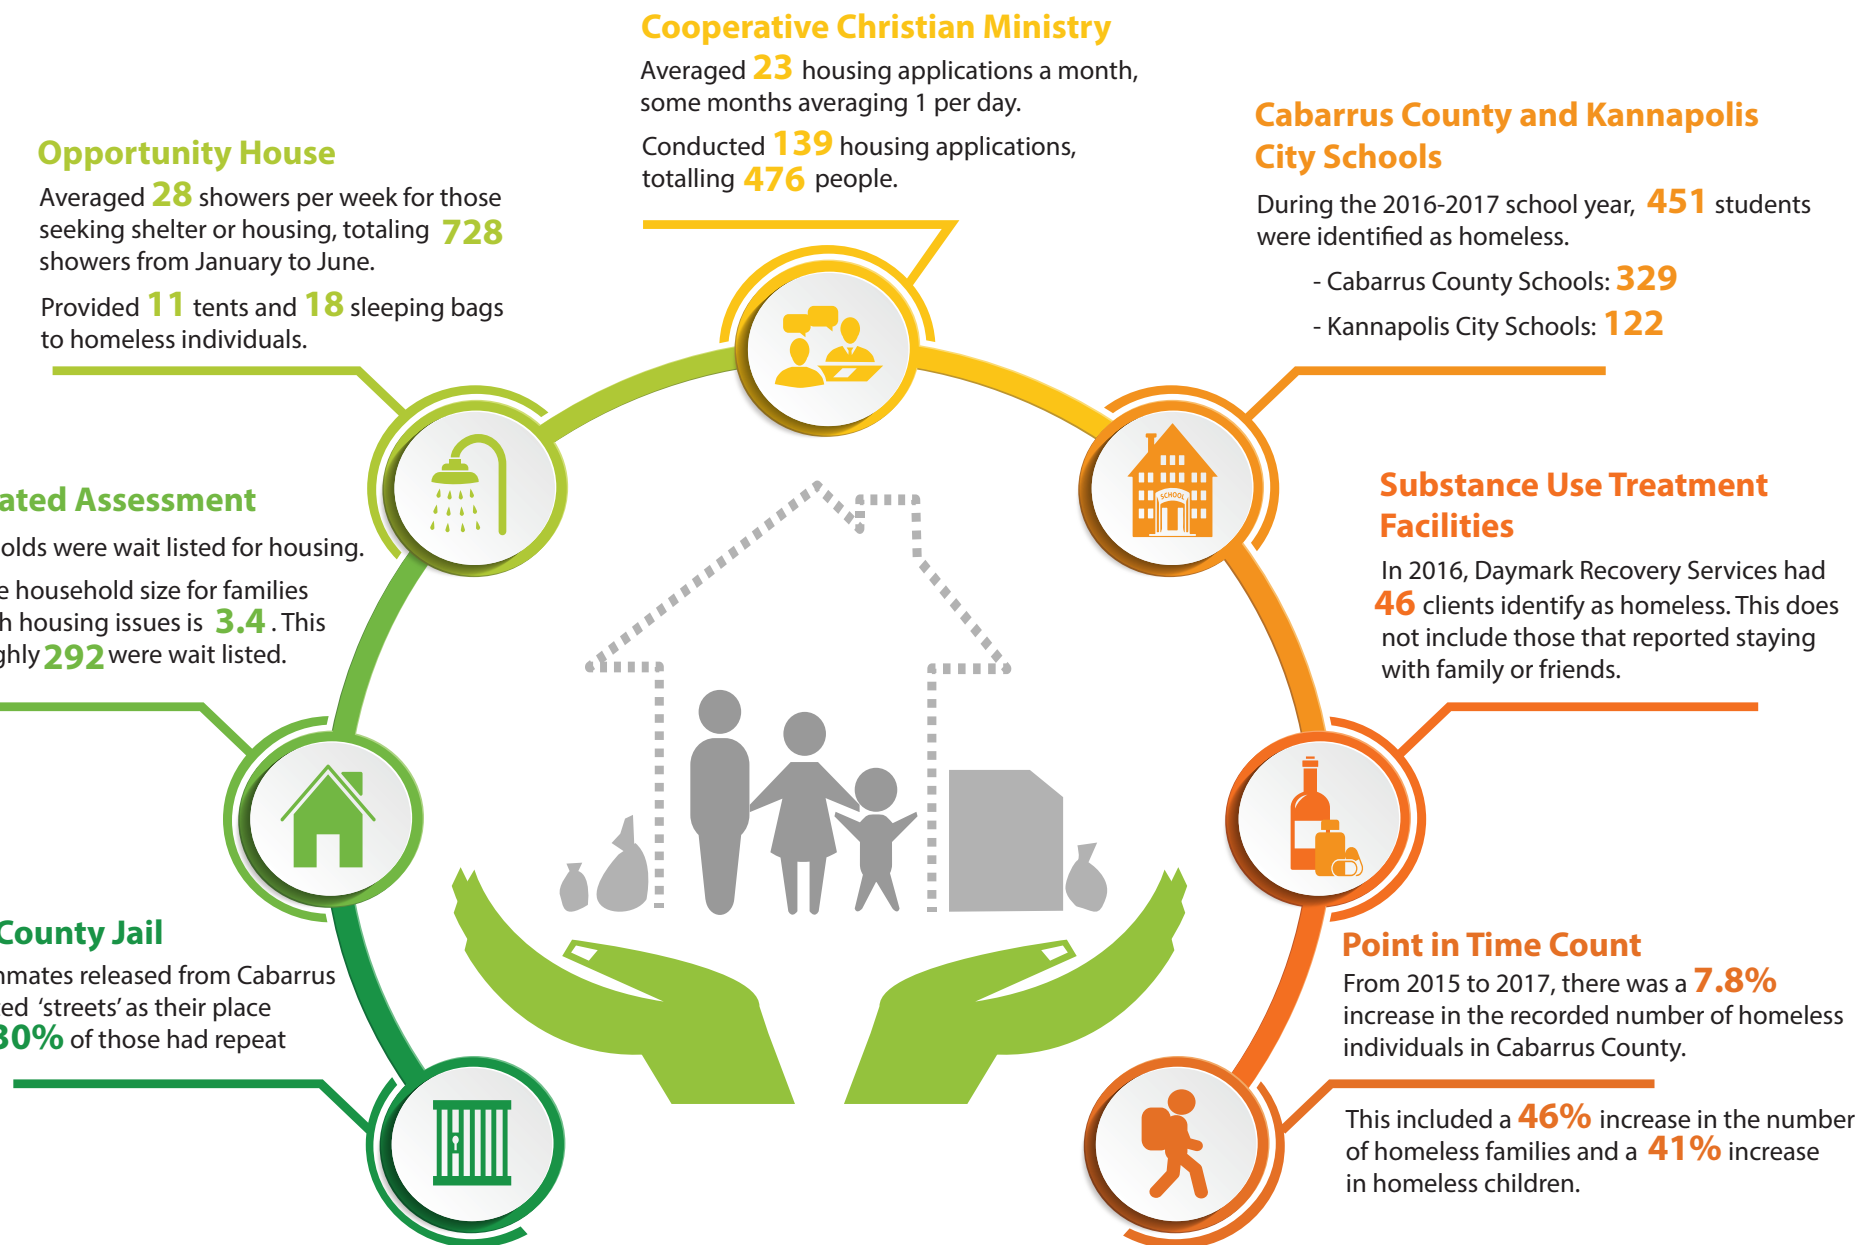

Coordinated Assessment

86 households were wait listed for housing.

The average household size for families dealing with housing issues is **3.4**. This means roughly **292** were wait listed.

Cabarrus County Jail

In 2016, **43** inmates released from Cabarrus County jail listed 'streets' as their place of residence. **30%** of those had repeat arrests.
